

# AC Cloud Control

## INWFIMHI001I0XX

**Wi-Fi interface for Mitsubishi Heavy Industries air conditioners**

|                              |                                                                                                                   |
|------------------------------|-------------------------------------------------------------------------------------------------------------------|
| <b>Enclosure</b>             | ABS (UL 94 V-0). 2,1 mm thickness                                                                                 |
| <b>Dimensions</b>            | 127 x 50 x 17 mm                                                                                                  |
| <b>Weight</b>                | 80g                                                                                                               |
| <b>Colour</b>                | White                                                                                                             |
| <b>Power supply</b>          | 12V, 60mA typical<br>Doesn't require external power supply (supplied by the AC Unit)                              |
| <b>Radio Parameters</b>      | RF Frequency range: 2412 to 2484 MHz<br>Output power (average):<br>- 20 dBm (11Mb/Sec.)<br>- 14 dBm (72.2Mb/Sec.) |
| <b>Mounting</b>              | Wall                                                                                                              |
| <b>LED indicators</b>        | 1 x Device status                                                                                                 |
| <b>Operating Temperature</b> | From 0°C to 40°C                                                                                                  |
| <b>Operating humidity</b>    | <93% HR, no condensation                                                                                          |
| <b>Stock humidity</b>        | <93% HR, no condensation                                                                                          |
| <b>RoHS conformity</b>       | Compliant with RoHS directive (2011/65/EU).                                                                       |
