

# TENSE Marketing Tools

## 1) DEMO CASE/€1500

The DEMO CASE is the perfect tool to provide your customers with a complete overview of what TENSE Top Design Switches has to offer. The black DEMO CASE is made of a strong material, is light and easy to transport. This makes it ideal for your Sales Manager to take it with him to customers, architects... enabling them to feel and experience our top design products.

The DEMO CASE contains every TENSE product, making it a complete marketing tool! It includes 7 functioning INTENSITY touch button switches and 1 functioning INFINITY OLED room controller. Furthermore, The DEMO CASE is completed by 14 cover plates, 1 socket cover plate, 2 sockets and 1 PIR motion detector.

## 2) DEMO CUBE/€500

The elegant white cube made out of plexi material, is a stylish and easy-to-use-tool to show our TENSE Top Design Switches to your customers. On the cube you can find 4 mounted INTENSITY touch buttons switches. THE DEMO CUBE includes a battery with an on/off switch so that your customers can actually use the switch and see how it looks when the LED's are turned on.

We offer 4 different versions of the cube (ALU/GLASS/STONE PLATINA/STONE PREMIUM) that can be ordered separately to provide in your specific needs.

		Oak Grey Marble	INTSOGM4

### 3) DEMO OBELISK/€3000

Our DEMO OBELISKS have been introduced with great success at Light & Building 2014 in Frankfurt.

This DEMO OBELISK is the perfect selling tool for showrooms or exhibitions. Its contemporary design with beautiful white led lighting results in a warm, inviting setting that fits in any showroom. With this marketing tool you can literally experience our switches. There is a KNX power connection foreseen in order to control the DEMO OBELISK.

The DEMO OBELISK consists in 2 versions: ALU & GLASS. Each DEMO OBELISK contains 4 INTENSITY touch button switches, 4 INFINITY room controllers and 4 matching sockets.
